Jason Allen

JA Entertainment

Make your wedding reception fun and memorable with professional DJ services by **JA Entertainment.**

Enjoy the continuous lively entertainment and versatility that can only be provided by a professional DJ, whether your event is formal or casual.

Jason Allen interacts with your guests getting them up and dancing to the music they love and making sure you hear the songs that mean the most to you.

JA Entertainment only uses professional DJ's. Jason Allen has over 15 years experience in the industry and was an on-air radio dj for over 15 years! The reception is the longest part of your wedding - make sure it's the most fun too!
