2006 DON'T BE A BULLY TOUR

Jungle Sam has released Don't Be a Bully
as a CD Single on Arffytunes Records!

The song is an adaptation of the 60's hit Woolly Bully and produced by Ar Stevens. Stevens produced the Safari Bands second CD Dance and Sing Volume Two and was the music producer for the PBS Special At The Drive Inn!

The Don't Be a Bully Tour includes many of the favorite Safari Band songs along with Don't be a Bully. The show is entirely appropriate for ages K-5 as the message is inspiring and the music is uplifting and fun. Audience participation is encouraged!

Coordinate with other schools in your community
or area for best routing performance prices.
March thru May dates are available in 2006!
